OUR CLUB

They walk comfortably on the balance beam, swing on the bars, jump on the trampoline and hang from the rings. The gym is full of kids in shorts, leotards and bare feet; climbing, tumbling and smiling. Young children need a program that teaches them to move their bodies in new ways while learning to improve balance, flexibility, coordination and gross motor skills. Gymnastics is fun, safe and enhances fitness and confidence. Coaches receive specialized training in working with children in gymnastics and are governed by the professional standards of the Coaching Association of Canada. They are certified through the National Coaching Certification Program.
